## German Delegates Confer With Foch

### Great Offensive Will Not Stop Unless Armistice is Signed at Once--Revolution Breaks Out in More Enemy Cities

(By Associated Press.)

Washington, November 8.—The German armistice delegation entered into conference with Gen. Foch at nine o'clock this morning, French time, the State Department officially announced. It is also announced that if it is found that the German delegates must refer the terms in Berlin, they will be given 72 hours to make that decision is reached to answer.

DELEGATES ENTERED FRENCH LINES LAST NIGHT. Paris, November 8.—The German delegates, which came to the French lines last night to receive the allied armistice terms from Gen. Foch, proceeded this morning to the meeting place designated by Gen. Foch, bearing white flags, reached left wing of Gen. Debeny's line at 10 o'clock last night. They arrived at a place indicated by Gen. Debeny within the French lines about 2 o'clock and passed the remainder of the day there.

HUNS MUST ACCEPT TERMS OR WAR GOES ON. Washington, November 8.—An official dispatch from France today, confirmed the fact that Gen. Foch is empowered only to deliver the armistice terms to the Germans and to receive their acceptance and that the peace negotiations are not the business of the military commanders. Any suspension of hostilities before the armistice is signed, even on philanthropic grounds, is in the question.

German effort at compromise or evasion will be tolerated. They make what the allies and the United States offer them and lay down their terms there will no interruption of the great offensive which is destroying German military machine.

It is believed everywhere the Germans are beaten and that their surrender is long delayed. Word that the drastic armistice conditions are awaited with calm and confidence. Meanwhile premature celebrations are derided with their resultant interference of industry and business. The President has taken cognizance of this, authorizing Secretary Lansing to say that no news is being withheld pending an announcement as soon as the government is informed that an armistice is signed.

IT MAY BE TRUE THIS TIME.

London, November 8.—A Copenhagen dispatch says the Kaiser will likely accept the terms tomorrow.

TIME WILL BE UP ON HUNS MONDAY. London, November 8.—Bulletin—The 72 hours within which a German reply to armistice terms must be received will end at 11 o'clock Monday morning.

OF COURSE, HE WILL.

Paris, November 8.—11:50 A. M.—Gen. Foch will have with him during the armistice conference American and British representatives.

Four More German Cities. The British, French, and Americans are maintaining their pressure which has driven the enemy from many square miles territory in the past week. (In the north the British are moving on Mons and are within three miles of Maubeuge.)

The Americans command the situation at Sedan, although apparently they do not hold the entire city. The French are pressing on toward Metz. Elsewhere on their front the French continue their rapid advance of the past three days.

JOHN E. GRIGGS IN HOSPITAL. The Kentucky casualty list today shows the name of Private John E. Griggs of Waco as being sick in hospital, previously reported missing, which will be good news to the many friends of this splendid young man. His parents were notified some days ago that he was missing.

Mr. John W. Arnold, of Rice and Arnold, is reported as quite ill today of flu and complications.

Rev. M. T. Chandler is out after a severe attack of the flu.

### FOCH REJECTS GERMAN PLEA

LONDON, NOV. 8.—BULLETIN—MARSHAL FOCH HAS REJECTED A GERMAN PROPOSAL FOR AN IMMEDIATE PROVISIONAL SUSPENSION OF HOSTILITIES.

### HUNS WANT TO QUIT

#### FIGHTING IMMEDIATELY

Paris, Nov. 8.—1:37 P. M.—An official notice issued this afternoon says the German delegates arrived this morning at Gen. Foch's headquarters. They made a formal demand for an armistice. The text of the condition of the allies was read and delivered to them. They asked for a cessation of arms but were refused. The enemy has 72 hours in which to answer. It was later announced that the German demand was for an immediate cessation of hostilities.

### GERMAN MARINES FIRE

#### AT KAISER'S BROTHER

Copenhagen, Nov. 8.—Prince Heinrich of Prussia, brother of the Kaiser, left Kiel on Wednesday in an automobile flying a red flag, the Schleswig papers state. Pursuing marines fired at him wounding his chauffeur when with the Prince has arrived in Flensburg in Schleswig.

### SAILORS RUN HUN SHIPS.

Copenhagen, Nov. 8.—Some of the German warships from Kiel have arrived at Flensburg in Schleswig. The newspapers here report. Their officers are navigating them under command of the sailors.

### GERMAN REVOLT GROWS.

Copenhagen, Nov. 8.—The Germans parts of Bremerhaven and Cuxhaven are in the hands of the Soldiers' Council, according to Schleswig papers.

### SERBIAN TROOPS IN HUNGARY.

London, Nov. 8.—Serbian troops have crossed the Danube into Hungary and were received with the greatest enthusiasm, an official Serbian statement says.

### GERMANY STOPS ALL

#### WIRE COMMUNICATIONS

London, Nov. 8.—Telegraphic communication between Germany and foreign countries will be stopped, according to a Copenhagen dispatch. Only government telegrams will be transmitted.

### AT ALLIED HEADQUARTERS.

London, Nov. 8.—Bulletin—At the allied general headquarters Friday morning the German plenipotentiaries according to the French wireless message which has arrived here were given a formal ultimatum. They should be accepted or refused in 72 hours expiring on Monday morning at 11 o'clock, French time.

### MAY SUSPEND

#### NOVEMBER CALL

300,000 Men Ordered To Army Camps From New Draft, May Never Go—Madison Asked For 212.

Washington, Nov. 8.—Gen. Crowder today called into conference his office heads to discuss the possibility of a suspension of the November draft calls under which 300,000 men have been ordered to army camps.

It is known that Gen. Crowder's advisers will warmly advocate the withdrawal of the November call, at least if the Germans accept the armistice terms before the movement to camps begins. The feeling is growing that no more men will be needed.

### 212 MEN FROM MADISON

A total of 14,125 men were called from Kentucky in the November draft call just issued from Frankfort by Major Rhodes. Of these 5,577 are of the new draft who registered September 12th. Madison county is called for for 100 men to be sent to Camp Beauregard, La., on November 23, and 112 men to go to Camp Greenleaf, on November 18. In the event that the November call is held up, as is indicated, these men will not have to go to camp. It is expected that authoritative announcement will soon be made of the War Department's further plans.

### WELL, IT'S TOUGH ANYWAY

Washington, Nov. 8.—Late reports indicate republican control of the next Senate with no change in the republican House majority. If Newberry is elected in Michigan which seems probable, the republicans will have 49 Senators, the democrats 46, with the Idaho contest still in doubt.

### COUNCIL GIVES \$100 TO

#### ASSOCIATED CHARITIES

City Fathers Endorse Appointment of Miss Roberts As Visiting Nurse—Regular Monthly Meeting

Richmond's city council went on record in favor of the union of the various charitable agencies of the city at its regular monthly meeting last night, when it voted \$100 to assist in the work of the Associated Charities.

The members were given some valuable suggestions by Rev. O. Olin Green, of the Baptist church, as to the efficiency of a union of various agencies and the economy which can be obtained in the distribution of the city's charities during the winter.

The City Fathers were only in session about an hour. Mayor Evans has the whole administration working at top speed, and the councilmen are cutting out a lot of the useless arguments and discussions that often enliven their proceedings and attending strictly to business.

Dr. Green led in prayer when Mayor Evans called the council to order at 7 o'clock. All of the members were in their seats except Councilmen O'Neil and Terrill, who came in a few minutes later.

The Mayor reported that he had been able to secure two car loads of coal for the use of the city thro the State Fuel Administration.

Councilman Mershon reported that he had made a partial list of pavements that needed repaving. His motion, seconded by Councilman Golden that the owners be notified to repair them carried unanimously.

Upon the suggestion of the Mayor and after discussion of the economy to be secured, Mayor Evans appointed a committee composed of Councilmen Mershon and Allman, to investigate the cost of buying a truck to haul rock for the city.

The monthly report of Chief of Police Claude Devore showed collections of \$515.20 during October. As usual the chief and efficient Chief of Police had his check for the month in full attached to his report.

Police Judge Murray Smith's report showed that he imposed a total of \$655 in fines in his court during October. Police Smith is holding a total of \$38,807.66, which was distributed as follows:

General fund \$23,634.78

School fund 11,531.40

Sinking fund 3,641.4

\$38,807.66

Street Commissioner J. H. Allman reported that \$529.38 had been spent during October for labor and teams on the streets.

The council voted unanimously to have a light placed on Tate's Creek avenue near the residence of Judge E. C. Millon.

It was also voted to place another light on Boggs Lane for the benefit of the citizens there, upon suggestion of Mayor Evans.

The bill of Jaller Burgess for handling city prisoners amounting to \$163.80 for October was before the city council. It was pronounced high but not excessive in view of the amount of business the city's efficient police officials and police court are doing.

Upon motion of Councilman O'Neil that the city appropriate \$100 for the Associated Charities, Mayor Evans was endorsed by the members for his employment, with County Judge Price of Miss Eva Roberts, to act as visiting nurse during the flu epidemic.

Dr. Green, who was an interested listener, was given the floor and talked to the members on the advantage of having a permanent visiting nurse or worker. He told of the good that can be done not only to charitable cases, but to promote the general welfare of the city and community. He said that a great deal of money could be saved the city by a union of the various churches, the city and other organizations in establishing a systematic plan for handling charity cases and the employment of a permanent charity worker. Dr. Green gave the councilmen some sound ideas on the subject and his remarks were listened to attentively by the members and officials. He thought it would be a splendid idea to at least engage a charity worker all during the winter. He strongly commended the council for taking a step in the right direction by making the appropriation it had for the Associated Charities.

Councilman Terrill seconded the motion for the appropriation and it was carried unanimously. The council will also voted to pay the city's half of a Miss Roberts' salary.

City Collector Dykes presented a paid, the council adjourned.

### CONFERENCES TO BE

#### HELD ALL OVER COUNTY

To Inaugurate War Work Campaign Sunday, as Plan on Public Gatherings Has Not Been Raised

Since the influenza ban has not been lifted it will be impossible to hold many mass meetings on Sunday as previously planned. Instead a large number of conferences have been arranged throughout Madison county and the city of Richmond to inaugurate the War Work Campaign. These conferences will be limited to 25 and will consist of the captains and their teams in the various precincts. Each captain will be responsible for the presence of the members of his team at these conferences. The captains of the Men's, Women's Victory Girls and Victory Boys are urged to notify the members of their teams and have them there at the hour appointed as the speakers will have to hurry on to other conferences and no time can be lost.

Conferences are being arranged for the city of Richmond on Sunday evening. The time and place will be published in the Daily Register tomorrow. The county appointments Sunday are:

Kingston—Baptist church, at 11 a. m.—Captain T. D. Chennault, Jr.; speakers, Rev. O. Olin Green and Mrs. Eugene Walker.

Speedwell—Christian church at 2 p. m.—Captain N. G. Todd; speakers, Rev. O. Olin Green and Mrs. Eugene Walker.

Patton—Church at 3 p. m.—Captain J. B. Wilson; speakers, Rev. O. Olin Green and Mrs. Eugene Walker.

Union—Church at 2:30 p. m.—Captain Joe Hamilton; speakers, Rev. Homer Carpenter and Mrs. George W. Pickels.

Newby—Church at 11 a. m.—Captain B. L. Million; speakers, Dr. E. C. McDougle and Miss Olmstead.

Baldwin—Church at 2 p. m.—Captain James Jones; speakers, Dr. E. C. McDougle and Miss Olmstead.

Valley View—Baptist church at 11 a. m.—Captain Burin Howard; speakers, Dr. E. C. McDougle and Miss Olmstead.

Kirkville—Christian church at 11 a. m.—Captain Nay Coy; speakers, President T. J. Coates and Miss Lucia Burnam.

Silver Creek—Church at 2 p. m.—Captain W. O. Burke; speakers, President T. J. Coates and Miss Lucia Burnam.

Red House—Baptist church at 11 a. m.—Captain Dr. D. J. Williams; speakers, R. R. Barnam and Mrs. F. E. Tott Barnam.

White's Station—Presbyterian church at 3 p. m.—Captain J. D. Goodloe; speakers, F. O. Clark and Dean Bowersox.

Colored Baptist church at 3 p. m.—Captain Prof. Hathaway; speakers, Judge Shackelford and Miss Belle H. Bennett.

### Youngster Shot Toe Off

Earl Boen, the 12-year-old son of Mr. Z. M. Boen, on the Irvine Pike, met with a very serious accident Friday morning. While cleaning out a gun it was accidentally discharged, the bullet piercing a foot, and terribly mauling his big toe. He was taken to the Gibson hospital where the wound was dressed by Dr. Moss Gibson, and he was reported resting very well at noon.

### FOR SALE TO HIGHEST BIDDER.

Tuesday, November 12th, at Fort Estill, 500 or 600 barrels of corn, also 2 good milk cows; a few yearling steers; two 2-year-old steers. M. M. Hamilton, at Fort Estill at 1 o'clock.

### DOCTORS BAFFLED.

#### VIN HEPATICA RESTORES MRS. LEAKE

Mrs. Lena F. Leake, 4400 Utah ave., Nashville, Tenn., says Vin Hepatica brought her back to her health after the valiant efforts of six reputable physicians had failed. "I can hardly realize," she said, "that I am the same person as I suffered so long from nervousness and stomach trouble. I tried six reputable physicians without getting any relief at all."

"When I began taking Vin Hepatica I was so weak and run down my life was a burden. I weighed only 100 pounds. Now I weigh 145 pounds, and am myself again. I am not at all nervous. I rest well at night and when I meet my friends, they want to know what I have done that makes me so much improved. I am so glad to tell them that Vin Hepatica, the most wonderful medicine in the world, did it."

Get this wonderful remedy at the Richmond Drug Company, Richmond, Kentucky.

list of omitted taxes and polls and clerical errors totalling \$77.00. It was filed with the clerk. Mr. Dykes requested the council to supply a desk for his office in place of keep papers, etc., and it was ordered by unanimous vote. Councilmen O'Neil and Terrill were appointed a committee to buy a desk.

After ordering monthly accounts, the council adjourned.

### MINISTERS MAKE

#### A STRONG APPEAL

Large Whole-Hearted and Generous Support in Madison of Coming War Work Campaign.

A large majority of the ministers of Madison county have issued the following appeal for support of the War Work Campaign, which begins next Monday, which is timely and to the point and self-explanatory:

When the Roman Catholic Belgian, the agnostic or Catholic Frenchmen, and Italians, with the British forces, put up the stiff fight that checked the advance of the hordes of the Hun, and held them at bay, suffering fearful losses, hammered and pounded for two long years by shot and shell, by machine gun and shrapnel, harassed by aeroplane and submarine, holding a force many times their own number in check till America could rally to the defense of humanity's cause, we cheered their pluck, admired their heroism—we did not ask what creed they held, but rendered full homage to their bravery.

We cannot now, in ministry to men on the seas, in the camps, in the blood-drenched trenches, discriminate and choose, by drawing the lines of creed or faith, whom we shall serve.

We must make the line of our administration as broad as the line of our defense, we must minister with all and to all. With the Jew, our brother of the Old Testament faith, with the Roman Catholic who with us has the love of mankind at heart; we must work together with all who still work with us in the great service of ministering to the social, physical, moral, and spiritual needs of our men in military service.

We ministers of Madison county urge all within our circle of influence to contribute freely, largely, and whole-heartedly to the appeal made for funds to carry on the allied services of the seven organizations, working for the welfare of the men in barracks, in camp, at sea, and in the trenches.

We are assured upon foundation to the gigantic assumed, all the funds will be wisely used.

Months of weary camp life must be endured by our men before they get foot on their native soil.

Vast educational schemes are proposed for our armies to occupy our men in otherwise idle days, that they may return better fitted by education and added training for home life and citizenship, rather than come back demoralized by dissipation, by idleness, by gambling, and the vices of camp life.

For this training thousands of teachers must be sent to the camps to carry on this work, a work that is planned on a colossal scale. Large funds will be needed to carry out the great designs of large minded men. We must be ready with millions.

A period of demoralization will be a period of the greatest demoralization unless measures to counteract this tendency are made possible by the support of the people at home.

"Gee! but it's nice to see a girl like you!"

of the training schools  
in France for eight  
ck from the front as

an instructor. He hadn't seen a girl of his own kind, a girl like his sisters, for weeks.

And there she stood behind the canteen counter in this big, roomy, comfortable hut.

He bought a bar of chocolate. Then he drifted over to the group around the piano. Presently

he went back to the canteen for a package of cigarettes. He strolled to the reading table and leafed over a magazine. Again he returned—this time for a cake of soap and some tooth-paste.

For a moment the rush at the canteen was over. He loitered at the counter and looked at the girl. She smiled. So did he. Then he blurted out what he had been trying to say for 20 minutes:

"Gee! but it's nice to see a girl like you!"

There are girls like that all over France—in camps, in towns, in the big cities—even at the front itself. They are serving the canteens,

running restaurants, handing out hot chocolate or coffee, pies and doughnuts.

They are giving the huts a look of home—putting bright curtains at the windows, posters on the walls, making flower-gardens at the doors. They are mending for the soldiers.

But, most of all, they are *just being there!* They talk about the things that sound like home. Perhaps they know the very towns and streets and girls that these boys know.

They bind together home and France! They are the girls *beside* the men behind the guns!

Without the organizations whose uniforms they wear, these girls could accomplish nothing.

However eager to help, they could not even travel as individuals.

But with the backing of these established, recognized and regulated bodies, they can work wonders.

When you think of war as a brutalizing force, think of American womanhood working with the soldiers in this war—then give, to support the organizations which make this possible.

Why you should give twice as much as you ever gave before!

The need is for a sum 70% greater than any gift ever asked for since the world began. The Government has fixed this sum at \$170,500,000.

By giving to these seven organizations all at once, the cost and effort of six additional campaigns is saved.

Unless Americans do give twice as much as ever before, our soldiers and sailors may not enjoy during 1919 their

3600 Recreation Buildings	2500 Libraries supplying 5,000,000 books
1000 Miles of Movie Film	85 Hostess Houses
100 Leading Stage Stars	15,000 Big-brother "secretaries"
2000 Athletic Directors	Millions of dollars of home comforts

When you give double, you make sure that every fighter has the cheer and comforts of these seven organizations every step of the way from home to the front and back again. You provide him with a church, a theatre, a cheerful home, a store, a school, a club and an athletic field—and a knowledge that the folks back home are with him, heart and soul!

You have loaned your money to supply their physical needs.

Now give to maintain the Morale that is winning the war!

## Splendid Tribute To Stalwart Madison Boys

The Lexington Herald Sunday had four photos and the following well deserved tribute to four splendid young sons of old Madison:

Four sons of C. F. Park, Sr., of Richmond, are in the service of the United States. All of them were former students of the University of Kentucky, in Lexington, and prominent in student activities while there. The members of this "war family" in service are, Captain C. F. Park, Jr., James Park, Smith Park, and George E. Park.

Captain Park was one of the most popular members of the class of '11 of the University of Kentucky. He was a member of the Phi Delta Theta fraternity and three honorary fraternities, Lamp Cross, Keys and Mystic Thirteen. He is well remembered as an athlete, having been on the receiving end of the famous battery of Park and Park. He made the team all four years and also had the distinction of being captain of the team two years in succession.

After graduation, he proceeded at once to get in the greatest game, but not on the receiving end. He received a commission as First Lieutenant in the Second Training Camp at Fort Benjamin Harrison. He was at once transferred to Camp Taylor, where he was stationed until he went "over there," with the 801 Pioneer Infantry. Since being in France he has been promoted to the rank of captain.

James Park graduated from the University of Kentucky with the class of 1915. During his stay at the University he was a leader in practically all the varied activities in which the student body participates. He was president of his senior class, a member of Phi Delta Theta fraternity, Lamp and Cross, Keys and Mystic Thirteen. In his senior year he was captain of the varsity football and baseball teams. As a varsity athlete he made a unique record. He was a member of the football team during his four years, a member of the base ball and basketball teams for three years, being ineligible one year for either.

After graduation Park played professional ball with St. Louis, American League team, Salt Lake City, Pacific Coast League and Columbus American Association teams. He was playing with the latter organization when called to the Aviation Ground School at Columbus, O. After spending three months at Columbus, he was transferred to the flying school at Camp Dix, Dallas, Texas. As there was no chance of being able to fly before next spring due to the small number of planes available and being anxious to see action, he asked for transfer to the Artillery Observation School, at Fortress Monroe, Virginia, where he is now stationed.

George E. Park, also attended the University for three years, taking premedical course. He would have graduated with the class of 1918, but went to Hahnemann Medical College, Chicago. During his first year he joined the medical reserve and home guards of Chicago. He is now located with the S. A. T. C. unit at this college. During his course at the University George Park was also on the baseball team for three years. He was a member of Phi Delta Theta and Lamp and Cross fraternities.

(Continued in Adjoining Column)  
Smith Park, the youngest of the family, is now stationed at the University in the Naval Reserve Branch of the S. A. T. C. He is also a member of the Phi Delta Theta fraternity. In his junior he was assistant manager of the foot ball team, and First Lieutenant of the Cadet Battalion. He attended the R. O. T. C. at Fort Sheridan, Ill., this summer after which he returned to Camp Buell as mess sergeant. He acted in this capacity until school opened in September. He is now taking the last year of the Mechanical and Electrical Engineering course in the University.

### FROM JOHN TRACY

Mr. and Mrs. T. Tracy, of the county, have received the following letter from their son, Corporal John Tracy, who is doing fine work with the American forces in France. He writes:

Somewhere in France, Oct. 6.  
Dear Mother and Dad—Thought I would write you a few lines to let you know I was still living and all right. I can hear the guns plainly from where we are. I dream about home very often but I don't get homesick. Tell all of the children hello for me and that I would like to see all of the people back there. Wish you would find out where all the boys are and in what Company and let me know. What about the war back there? Guess it looks good to you people, don't it? Will close with love to all, hoping to hear from you soon.

Yours

JOHN O. TRACY.

## Save Wheat and Help Win the War

In a publication of the U. S. Food Administration, of January 26th, 1918, is the following comment:

"A baking powder concern in Chicago is distributing a placard that consumers purchase double-size packages of all food articles packed in tin, thus saving about 25% tin plate for use in ammunition. Baking powder is also recommended with corn bread and a special booklet of War Time Recipes is offered housewives who are interested."

The baking powder concern referred to was the Calumet Baking Powder Company and its efforts to conserve our resources were thus commended.

Calumet Baking Powder always conserves resources and promotes economy.

By its use wheat flour, corn meal, or any kind of flour, always goes further, makes whiter and lighter bread, biscuits, cakes, etc.

Calumet Baking Powder can be used to greatest advantage in your war-time or any other Recipes that call for Baking Powder. It is used in the ARMY and NAVY. Uncle Sam chooses from all. His selection should show you which brand of baking powder is best for your use.

## SERVE YOUR COUNTRY

By using it in your home. Save needed food-stuffs and prevent waste. Serve your family by giving them pure, wholesome, tasty bakings.

Remember—Foods are as important as Fire Arms in War Times.

Remember—Calumet Baking Powder gives you positive protection against bake-day failures.

### SEND FOR FREE CALUMET War-Time Recipe Book

It contains scores of selected recipes that will help you greatly in the use of corn and other coarse flours.

## Keep The Kidneys Well

Health Is Worth Saving, and Some Richmond People Know How To Save It.

Many Richmond people take their eyes off their hands by neglecting the kidneys when they know these organs need help. Weak kidneys are responsible for a vast amount of suffering and ill health—the slightest delay is dangerous. Use Doan's Kidney Pills—a remedy that has helped thousands of sufferers. Here is a Richmond citizen's recommendation:

Mrs. W. T. Mansfield, 137 S. Edill Avenue says: "I had backache and was run down and languid. My kidneys were weak. Doan's Kidney Pills relieved the backache and put my kidneys in good condition. Whenever I have any sign of kidney trouble, I have used Doan's Kidney Pills and they never failed to give me good results."

Price 60 cents at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—that same that Mrs. Mansfield had. Foster-Nilburn Co., Mfgs., Buffalo, N. Y. nov 13w

### GIRLS' PAINS AND WEAKNESS

**Yield to Lydia E. Pinkham's Vegetable Compound. Thousands of Girls Benefited**

St. Louis, Mo.—"When I was only fifteen years old mother had to put me to bed every month for two days because I suffered such pain. I also suffered from a weakness and mother took me to a doctor but he did nothing. Finally mother made me take Lydia E. Pinkham's Vegetable Compound and it has made me strong and healthy. So when mother or I hear any woman complaining we tell them about Lydia E. Pinkham's Vegetable Compound and what it did for me."—Mrs. JOHN FRAME, 1121 N. 15th St., St. Louis, Mo.

Girls who suffer as Mrs. Frame did should not hesitate to give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial, as the evidence that is constantly being published proves beyond question that this grand old remedy has relieved more suffering among women than any other medicine.

For confidential advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of their forty years experience is at your service.

**The Wonderful Call When Baby Comes**

Like the Blast of Heavenly Trumpet When Call of Motherhood Is Felt.

At the most vital times in a woman's life the coming of baby is fraught with the greatest meaning. Care should be exercised to insure that the crisis is passed in safety. Apprehension is avoided by the timely use of Mother's Friend, a preparation of sweetening oils and medicinal ingredients, which renders the muscles, cords, tendons and ligaments pliable, and thus tension is avoided. The usual nervousness, nausea, bearing-down and stretching pains are counteracted and the period is one of calm repose.

The broad, flat abdominal muscles relax with ease, and when baby comes the time at the crisis is less and pain and danger is avoided.

Thousands of women for half a century have used this penetrating external application, prepared especially for expectant mothers, and every woman awaiting the crisis should give nature a helping hand.

Write the Bradford Regulator Company, Dept. E, Lamar Building, Atlanta, Georgia, for their Mother's Friend Book, of great value to all women, and obtain a bottle of Mother's Friend from the druggist and begin its application regularly night and morning.

**Quarantine**  
I've knocked about this world a lot. There's no place I haven't been; But the hardest luck I ever had, Is to be in quarantine.

I hit this camp in September, And ate the army bean; I like the grub and all of that, But Oh! the quarantine.

We've got the bug the doctor said, He looked with eyes so keen, At every soldier's throat, And ordered quarantine.

The Corporal got out a card, With fingers long and lean, With paint and brush and stencil set, He painted Quarantine.

The fellows broke the guard last night I counted seventeen; We'd rather get a pms instead, But we're under quarantine.

Of all the punishment I know, There's nothing quite so mean; As to stick around the barracks, While under quarantine.

We had a meeting of the bunch, Fat, Slim and Humpy Jean; We decided it was a rotten trick, To be under quarantine.

We want to serve our country, And keep the barracks clean; But is is discouraging, When you're under quarantine.

If they keep us here another week, It can be plainly seen, We'll all go nut or hughouse,

### GLAD TO TESTIFY

**Says Watoga Lady, "As To What Cardui Has Done For Me, So As To Help Others."**

Watoga, W. Va.—Mrs. S. W. Gladwell, of this town, says: "When about 15 years of age, I suffered greatly... Sometimes would go a month or two, and I had terrible headache, backache, and bearing-down pains, and would just drag and had no appetite. Then... it would last... two weeks, and was so weakening, and my health was awful.

My mother bought me a bottle of Cardui, and I began to improve after taking the first bottle, so kept it up till I took three... I gained, and was well and strong, and I owe it all to Cardui.

I am married now and have 3 children... Have never had to have a doctor for female trouble, and just resort to Cardui if I need a tonic. I am glad to testify to what it has done for me, so as to help others."

If you are nervous or weak, have headaches, backaches, or any of the other ailments so common to women, why not give Cardui a trial? Recommended by many physicians. In use over 40 years. Begin taking Cardui today. It may be the very medicine you need.

## To the Farmers of Madison Co.

I am here describing just a few farms located in Oldham and Henry counties, that are limestone and highly productive land, that will grow any crops and are good ones. Desirably located in one of the best tobacco sections of the state, and well improved. Why pay \$200 per acre for land when you can get it at these prices? They are just as advertised. I therefore ask your consideration if in the market for a farm.

A fine farm of 585 acres, good limestone land, well watered, under splendid fence, and good improvements. Extra good barns, 4 good houses, including a splendid 10-room dwelling. On good road, 3 miles from Eminence, and 4 miles from New Castle, in Henry county. There are 475 acres of splendid grass. It is a splendid stock farm and is fine for tobacco land. On account of owner having another farm of over 1,000 acres, and being far apart, is the only reason for sacrificing this farm at only \$100 an acre with terms to suit purchaser. Think of the location and good of land, with such improvements at the small price asked.

One of the best farms in Oldham county, of 278 acres, located on fine road, 5 miles from Lagrange, 9 miles from Shelbyville and 20 miles from Louisville. This is very fine limestone land, producing the best of crops; is very fine tobacco land and a real stock farm. Improvements consist of good 10-room dwelling, tenant house, 2 good barns and a 90-ton silo. Fine fence, and plenty of never-failing water. Most all in grass. Account of being very old and not able to give his best attention, he is offering it at \$100 per acre, and terms.

A fine farm of 250 acres, located on good road, 2 1/2 miles from New Castle, and 4 miles from Eminence, in Henry county. This is a very fine farm for tobacco, grain, or splendid stock farm, with abundance of grass. A money-maker. Will sell water, fine fences, extra large barn, for \$85 per acre and terms.

I have all kinds of farms and all sizes. Located in Henry and Oldham counties. I also have some splendid residences in Lagrange and Eminence, which will surprise anyone for the bargain prices asked.

## United War Work Campaign Program

The campaign begins on Monday morning, November 11, and ends at midnight on Monday, November 18. As approved by representatives of the Government at Washington the money raised will be divided as follows:

Y. M. C. A.	58.65%
Y. W. C. A.	8.80%
National Catholic War Council (including Knights of Columbus)	17.60%
War Camp Community Service	8.80%
Jewish Welfare Board	2.05%
American Library Association	2.05%
Salvation Army	2.05%

Any surplus will be divided pro rata.

## MASS MEETINGS IN CITIES AND TOWNS

Kentuckians Everywhere Will Listen to Speakers—Business Men's Clubs to Hear of War's Welfare Work.

On Friday, November 8, there will be a mass meeting in each of the larger cities and towns in Kentucky in furtherance of the interest in the United War Work Campaign.

These mass meetings will be addressed by prominent speakers who will set forth the activities of the Y. M. C. A., the Y. W. C. A., the National Catholic War Council, the Jewish Welfare Board, the War Camp Community Service, the American Library Association and the Salvation Army, the seven organizations which are providing physical, mental and moral help to our soldiers overseas and in the camps in this country as well as doing a mighty work in providing needed comfort for the several millions of women and girl munition workers both in the United States and in France.

During the week of November 8 to 10 there will also be a series of business men's conferences held under the auspices of the Commercial, Rotary and Kiwanis Clubs of every city of 5,000 or more inhabitants in the state. These conferences will be addressed by prominent and successful business men who will set forth the need for the work of the seven organizations and who appreciate the imperative necessity for continuing and increasing the activities.

Many of the men who will address the meetings are fathers or close relatives of boys who are serving in France and who have learned directly through letters from the boys at the front, of the incalculable help all the seven organizations in rendering the soldiers every day.

## PARADES IN STATE FEATURE CAMPAIGN

United War Work Drive in Kentucky Will Be Splendidly Advertised on Saturday, November 9.

Parade Day in Kentucky will be Saturday, November 9, when fifty or more cities and towns in the state will hold patriotic parades in honor of the United War Work Campaign which starts November 11 and continues through the 18th.

Elaborate plans are being made in many of the towns in put the parade on in a manner befitting the importance of the seven organizations, the Y. M. C. A., the Y. W. C. A., the National Catholic War Council, the Jewish Welfare Board, the War Camp Community Service, the American Library Association and the Salvation Army, and the great welfare work they stand for.

Every city and town in the state will be decorated with the posters and banners of each of the seven agencies and countless banners, pennants and flags will be carried by the paraders. In many of the towns plans are under way to have the United War Work Campaign parade held at night and some brilliant programs have been arranged out to make the parade a very spectacular event.

Owensboro and Hodgenville are going into their parade program on an elaborate scale and the citizens of all denominations and creeds will unite in carrying out the spirit of the joint drive.

The Louisville parade will be put on at night and thousands of participants will march. The colored people are working earnestly and enthusiastically to help put the United War Work Campaign over and they will have a large representation in the parades.

In addition to the seven organizations mentioned there will be sections of Victory Boys and Victory Girls, and one of the students, who are among the most enthusiastic workers in the United drive.

While the influenza epidemic has interfered somewhat with the general parade program in the state, inasmuch as many have been prevented from entering into the preliminary arrangements, the fact that crowds may gather out-of-doors, makes it possible for almost every community to put on a more or less elaborate program.

## Election Results In Other Counties

**Breathitt County.**  
Jackson, Nov. 6—Breathitt county with 9 of 18 precincts heard from, gave Stanley 278 majority. Democratic precincts are yet to hear from. Owsley county gave Bruner 770 majority. Lee county went 310 majority for Bruner.

**Mason County.**  
Maysville, Nov. 6—Mason county complete gave Stanley 1,952, Bruner 1,547; Fields 1,896, Snedigar 1,560.

**Mercer County.**  
Harrodsburg, Nov. 6—Stanley 1,663, Bruner 1,289; Helm 1,237, Davidson 450.

**Kenton County.**  
Covington, Nov. 6—Stanley carries Kenton county by 3,000 and Campbell by 238 over Dr. Bruner in the race for senator. Congressman Rouse ran somewhat behind Stanley but has been re-elected.

**Harrison County.**  
Cynthiana, Nov. 6—Harrison county polled 2,132 votes for Stanley and 1,063 for Bruner. All precincts heard from. Fields 2,148, Snedigar 1,002.

**Laurel County.**  
London, Nov. 6—Republican majority Laurel county, 1,200; Rockcastle 900; Clay, 1,200.

**Louisville.**  
Louisville, Nov. 6—In 83 precincts in the city Chas. F. Egan, republican, was leading. Swager Sherley, democrat, for congress by approximately 1,200 votes. Scattered precincts from city and county indicate that Bruner, republican, will carry Jefferson county over Gov. A. G. Stanley, for senator, by a safe majority.

**Jessamine County.**  
Nicholasville, Nov. 6—Election returns follow: Stanley 122 majority; Helm 187 majority.

**Nicholas County.**  
Cynthiana, Nov. 6—The election results in this county were as follows: Stanley 1,346, Bruner 846; Fields 1,377, Snedigar 800.

**Scott County.**  
Georgetown, Nov. 6—Scott county gave Stanley 1,884. Bruner 1,099; Cantrill 1,913, Hammond 2,100. All precincts have been heard from.

**Fleming County.**  
Flemingsburg, Nov. 6—The result of the election in Fleming county, is as follows: Stanley 1,701, Bruner 1,468; Fields 1,746, Snedigar 1,446.

Alfred E. Smith, democrat, was elected governor of New York, over Whitman, republican, who had held the office two terms, by 12,000 majority.

Gov. Cox, democrat, was re-elected in Ohio by 19,000 majority but the remainder of the republican ticket won.

Woman's suffrage carried in Michigan by 12,000 majority. It lost in Louisiana by a large majority and is in doubt yet in Oklahoma.

## Burrus Smith Dead

Burrus Smith, aged about 35 years, died in Washington City, Monday, of pneumonia. He was the son of Mr. and Mrs. Mark Smith, of Laurel street, this city, and was an exceptionally nice young man. He had been employed on government work in Washington City for several months past, and contracted influenza which developed into pneumonia. The remains were brought to Richmond and entered in the Richmond cemetery Wednesday afternoon. Besides his parents, he is survived by several brothers and sisters, to whom the sympathy of the community is extended.

**The How and Why of Caloric Pipeless Heating**

The CALORIC is not a pipe furnace with the pipes left off. Neither is it an experiment, hastily put together to meet a demand. It is specially designed to heat homes, halls, churches, stores, factories, etc., more uniformly, economically and satisfactorily than they have ever been heated by other systems.

The CALORIC works thru Nature's own laws of circulation by air currents. Warm air rises. Cold air falls. Warm air and cold air cannot occupy the same space at the same time.

**HERE'S THE SECRET**

In the same volume that the warm air is pumped up into the house, an equal amount of cold air is drawn into the furnace where it is heated, motivated by the vapor from the two gallon water pan, and then recirculated through the register. This continues as long as the fire burns.

Thus there is a constant circulation of properly moistened warm air. Just as running water purifies.

**THE CALORIC** is easily installed in one day, without interruption of your present heating arrangement. No holes knocked in your walls, no collar fall of heat-wasting pipes. The Caloric requires but one register and occupies little space. It burns any fuel, and needs hardly any attention. Make however, one-third meter, as there is no more from carrying in coal and carrying out ashes—no smoke, gas or soot. Eliminates fire danger and increases the value of your property.

Visit us and we will gladly supply full information without in the least obligating you to buy.

## HEALTH TALK

### SH INFLUENZA OR GRIP

BY DR. LEE H. SMITH.

of enemy is with us again, and we fight a German or a germ, put up a good fight, and not be put off. The influenza runs a very brief when the patient is careful, and keep the system in good condition. Grow off the poisons which tend to make within our bodies, we can the disease. Remember these: (1) a clean mouth, a clean skin, clean bowels. To carry off poisons, the system and keep the bowels daily doses of a pleasant laxative be taken. Such a one is made of apple, leaves of aloe, root of and called Dr. Pierce's Pleasant. Hot lemonade should be used if attacked by a cold, and the should be put to bed after a hot and foot-bath.

to prevent the attack of bronchitis or pneumonia and to control the pain, the tablets should be obtained at the store, and one given every two hours, with leucanade. The Anuric tablets were first discovered by Dr. Pierce, as they flush the bladder and the kidneys, they carry away the poisons and the uric acid. It is important that broths, milk, buttermilk, ice-cream and simple diet be given regularly to strengthen the system and increase the vital resistance. Fever is diminished by the use of the tablets, but in addition, the forehead, arms and hands may be bathed with water (tepid) in which a tablespoonful of salaratus has been dissolved in a quart. After an attack of grip or pneumonia to build up and strengthen the system, obtain at the drug store a tonic tonic, called "Ironic" Tablets, or that well known herbal tonic, Pierce's Golden Medical Discovery.

### Interesting Overseas Letter

The following interesting letter from Private Frank A. Powell, son of Mr. and Mrs. Ollie Powell, of this city, has been received by a Richmond girl friend.

October 9, 1918.

Dear Friend:— At home you have probably retired by this time—9 p. m. there—while I have about five more hours on duty. I haven't forgotten all about you, but just haven't had time, until a few night ago to write to anyone. It was about three weeks past when I had a chance to send some letters home.

Our stay at the rest camp was brief—only a week, in fact,—but that week was sufficient. More than I care to stay there. Influenza was very prevalent—(the Spanish influenza in France.) We had something like 53 of the sick report the second day after arrival. But most of the cases only lasted a few days; and though we only got wet every time it rained (which was continually), and everything else pleasant but the mud and cats, we were satisfied to leave that part of the country for better or worse. We figured out it couldn't be much worse. So one night we marched back to the station and showed around the "side door Pullman." Those were on the order, in a way, at our American freight cars, only about half, maybe a third as large. And forty men with packs sprawled out over the floor trying to sleep in some joke, I don't think. But there was a whole lot of fun, after all. Some fellow would hollow out in the chilly stillness of the night, "Get your hands off'n my ear!" or "What'll you think I'm down here, a mattress?" And "bully beef" three times a day, for three days, isn't a cliché either, but it's all in the game and we all grouse; some just for the sake of grouching, some just to be disagreeable, and some just to make themselves feel better so we don't mean any harm about it after all. In the daytime we would watch the scenery as we flew on with the eastern limited at the rate of 15 miles per hour (10 a lot of the time), because scenery is good, even from a box car window. And there was plenty of it, too. It's much prettier when the sun appears, and then you don't wonder that the French have sacrificed so much for their country and civilization. We pass by the American, Chinese, Chinese, French and U. S. prison camps, and our eyes open when we see all these, the miles and miles of tracks, hundreds and hundreds of engines, and thousands of freight cars; and other things too numerous to mention, including enormous warehouses. The stupendous task, the big miracle that Uncle Sammy has wrought in a year and a half. It is almost unbelievable! And when I saw it, I thought "Good night, Bill; I see your fish!" That reminds me of a heading in a paper a good while back, in the States: "Kaiser says We'll fight to the bitter end." He knows what kind of an end it's gonna be, doesn't he?

With Bulgaria's capitulation, and the Central Powers howling for peace, looks as if the end might be in sight. Wouldn't it be great if it would all end by Christmas?

It's a comfort (better than Shakespeare ever wrote) to see me trying to talk to these fellows who are in our organization.

But to go back where I was. When we arrived at our barracks we were assigned to real beds with mattresses and good soft blankets for the night. Maybe we didn't sleep some! Oh, boy! In the few days that followed we took over a number of American-made buildings for our hospital, and also a number of patients. It rained a lot of the time there, too, and we were forced to wade through the mud a mile or so, then shovel our way to the kitchen door. (To the tune of "School Days.") One morning another chap and I started down to the little village to explore it. Before we got there it started to rain, and rained the entire day. But we happened to have our slickers with us so we walked around for about two hours or more in the rain and then returned good and proper "wet." We stopped

in front of a church there and above the door was a Latin inscription meaning "Built in the year of Our Lord, 1716." It looked something like two centuries old, too. We left there about a week after our arrival for a place nearer the front. Upon reaching our next destination, we marched over the hills until we came to a sign on a post "Croix Rouge, American Hospital No. —; towards the red roofs of some buildings we marched on and finally came to the rows of clean looking white brick, or rather a valley in which lay the city of — some miles or so away, surrounded by the mountains. Rather a picturesque scene, and more beautiful when the glow of the sunset spreads out through the clouds over the heavens and falls in many colors down on the mountain sides. Then at night we can hear the "heavies" on the western front, only some 35 kilometers away, as they hurl their shells on into Metz and Berlin. I can't say it's either, but it may be both before the scrap is over and over soon. You stand out on the ground and see it way off in the distance, the flashes from the "big boys" across the heavens; the numerous searchlights playing on the skies like so many white shadows flitting to and fro, and the signals dropped from the airplanes.

We get plenty to eat; have a canteen started a few days ago for our hospital, and get daily newspapers and magazines. The boys have their tobacco issued to them about every ten days (all but three of four fellows I know). Everything we want almost, except a letter from home. I have been away from the States six weeks Friday and no letter yet. Suppose I'll get a dozen when I do get mail. That's the way they come—several at a time. I want a letter from home more than anything else right now. I'd miss three square meals to get one. And I've got some appetite. You know how I like to eat, don't you?

I am night ward man in Section F—yes, a regular night owl. The latter part of this letter is written a day before the former, and you are in the land of dreams now.

Tell the Leaguers I have tried to smile for all it's worth, and am still trying it. It works fine. It is the best, easiest and quickest way to brighten up not only the fellows in our ward, but every one you come in contact with, that I know of.

A boche plane came over a few nights ago; in fact, the fellows said one came over this afternoon while I was asleep, but they haven't tried to do any damage, so far.

Reports have it that a great many of us will have a chance to go to the front as stretcher bearers; so when you get this I may be seeing some of the real excitement.

At some of the German detention camps we passed through on our way here, it was comical to see the boches with the P. G. (French) or P. W. (American) on the seat of his pants. They wear green uniforms.

Nearly every Frenchman one meets has his little old mustache. I have been down into the city in the valley below us, a mile or so away. I entered the cathedral there and stood before some of the great old paintings hanging around on the walls. The stained glass windows are beautiful. Go over and see mother whenever you have any spare time. I know she will be less lonesome and glad you come.

I haven't any whole lot of time to write to anyone, and yet quite a number of people to write to. Give my best regards to all my friends and best wishes for E. L. Sincerely, FRANK J. POWELL, U. S. A. Base Hospital 82, Am. Ex. Forces A. P. O. 784.

### Former Mt. Pleasant

#### Pastor Dies of Flu

White Hall, Nov. 7.

Isaac Forbes, Sr., is very sick with heart trouble. Most of his family have influenza.

Our hearts were made extremely sad last Friday when we received the bulletin with Rev. H. F. Martin's picture and notice of his death which had occurred at Olive Hill from influenza. Bro. Martin was pastor of that church for Sunday School work for which he was so well suited. He did more for the Sunday School at Mt. Pleasant than any pastor had ever done before. Our hearts go out in deepest sympathy to his splendid wife and children.

Our hearts also go out in deepest sympathy to Mr. and Mrs. William Rogers who lost their son last week at Ford.

Our mail carrier was not very much pleased with the change of the time as it throws him until dark getting home a little later in the year.

Mr. Price Gurnin lost several sheep last week, which were killed by dogs. Also Mr. Harry Hanger lost a number in the same way.

Mr. and Mrs. Sanford Oldham will move to Richmond the first of the year. Mr. Oldham has purchased a home on Third street.

Mrs. James Oldham and daughter, Mary, have arrived home much to the delight of their many friends from up north, where they have been for the past few months.

Leonard Minter and Wm. Hall have sold their Ed Million farm to Mr. Charley Baldwin. Mr. Baldwin will get possession the first of the year.

Mr. Arch Duncan and Mr. William Hall have bought the farm of Mr. Minter purchased from Mrs. T. H. Park.

The many friends of Mrs. R. C. Moore are glad to know she is improving after an attack of influenza, from which she has been suffering for the past three weeks.

Get the Genuine and Avoid Waste MORGAN'S SAPOLIO SCOURING SOAP Economy in Every Cake

By JAMES CARDINAL GIBBONS

"THEY are our sons and brothers; flesh of our flesh. We have sent them across the sea to fight—but we are determined that they should know that the people at home are fighting with them, standing with them, shoulder to shoulder."

Why you should give twice as much as you ever gave before!

THE need is for a sum 70% greater than any gift ever asked for since the war began. The Government has fixed this sum at \$170,500,000.

By giving to these seven organizations all at once, the cost and effort of six additional campaigns is saved.

Unless Americans give twice as much as ever before, our soldiers and sailors may not enjoy during 1919 their

3600 Recreation Buildings  
1000 Miles of Movie Film  
100 Leading Stage Stars  
2000 Athletic Directors  
2500 Libraries supplied with 100,000 books  
85 Hostess Houses  
15,000 Big-brother "secretaries"  
Millions of dollars of home comforts

When you give double, you make sure that every fighter has the cheer and comforts of these seven organizations every step of the way from home to the front and back again. You provide him with a church, a theatre, a cheerful home, a store, a school, a club and an athletic field—and a knowledge that the folks back home are with him, heart and soul!

You have loaned your money to supply their physical needs.

Now give to maintain the morale that is winning the war!

AMERICA in this war has done what no other nation ever did. She has carried the presence, the atmosphere of home into the camps across the seas, that everywhere the soldier may realize there are fatherly hands to help him, motherly hands to console him, friendly hands to entertain him.

"All these seven organizations now stand upon one platform,—that of providing recreation, entertainment and home comfort for our troops. From that common platform, all, together with one voice, will make a single appeal to the American people.

"These seven organizations have agreed by direction of the Government upon definite budgets and all are working under a general national committee upon which all are represented for a united war work campaign to raise the sum of \$170,500,000.

"Enormous as that sum may be, the American people will raise it—generously and gladly.

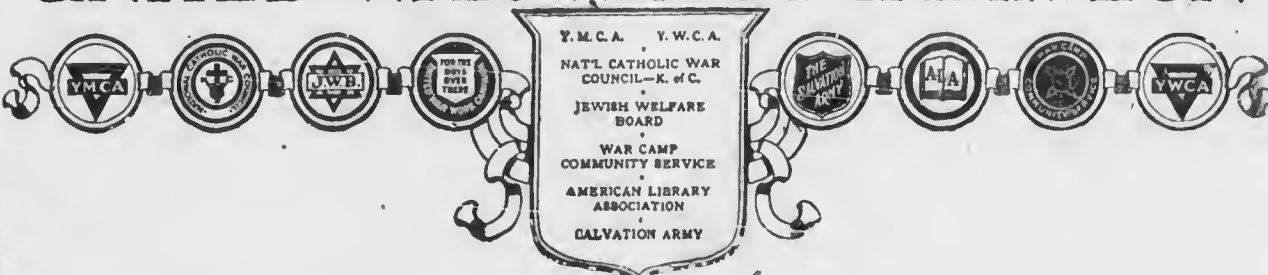

"When one considers an army of over 4,000,000; a navy that masters over 500,000 men in its service; the number and size of our camps; the buildings to be erected; the secretaries to be maintained; the equipment to be furnished; the visitors' houses to be built; the community service to be extended into every city and town of the country; the protective work most necessary and vital for all our people, which this war has given to us as our share to maintain, one will see that the sum is none too great for this enormous task.

"We cannot shirk it. We cannot shift it. To attempt to do so would be to prove false to the men who are giving their bodies and their lives for our national safety.

"It is an American campaign. Its appeal is one that no American may refuse, and America's answer will be another triumphant announcement that we are in this war as one people and as one nation to see it through to victory.

"The entire Catholic body of the country is organized to crown this campaign with victory. Every diocese has harnessed its own resources, will work with the state committees of the United War Work Campaign and give the utmost service."

**Ruddy Cheeks—Sparkling Eyes—Most Women Can Have**

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of the well-known vegetable ingredient, Olive Tablets. You will know their olive color.

These tablets are wonder-workers for liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women as well as men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep in the pink of condition. 10c and 25c per box. All druggists.

A message has been received by his family that the condition of Mr. J. Wm. Wagers is improving at Hot Springs, which will be good news to his host of friends here.

## GREEN SILAGE KILLS MULES

Joseph and James McConathy, who operate the old Shelby farm on the Richmond pike, in Fayette county, lost by death five mules, from eating green silage and four others are said to be seriously ill and may die. A tenant employed by the McConathy brothers may also lose two mules from the same cause.

The mules were in a lot adjoining another lot where Congleton brothers had a number of cattle which were being fattened for the market. Through somebody's oversight, or carelessness, the mules got into the lot with the cattle during the night, and foundered on the green feed intended for the cattle, with the result stated. The mules were valued at \$200 a head.

## DOCTORS SAY CALOTABS ARE BEST FOR COLDS

According to the world's greatest physicians and medical experts, calomel is the best and only dependable remedy for breaking up a cold over night or cutting short an attack of sore throat, deep-seated cough, influenza or la grippe. Now that science has purified calomel of all its noxious and dangerous qualities, the new kind of calomel called "Calotabs," is even more popular than the old style.

One Calotab on the tongue at bed time with a swallow of water—that's all. No salts, no nausea, nor the slightest interference with your diet, work or pleasures. Next morning your cold has vanished and your whole system is purified and refreshed. Calotabs are sold only in original sealed packages, price thirty-five cents. Your druggist recommends and guarantees Calotabs and will refund the price if you are not delighted with them. 11

**DUNBAR IS RE-ELECTED.**

## OIL FIELD NEWS.

The Puritan Oil Company has just completed its initial well on the north Pendergrast tract, above Cave Fork, in Lee county, and it is a large producer. The lease on which the well is located contains 72 acres and is known as the Clarence Miller farm. It lies adjacent to the Henderson Angel, of the Eastern Gulf Oil Company.

On the Pendergrast farm the Pendergrast Oil Company brought in No. 4, which is estimated as being a big well.

Among the other large producers to come in are the Rex Oil Company's Nos. 7 and 8. Harve Williams No. 8 is said to be the best yet on this lease.

News has been received here by Mr. J. R. Quisenberry that his nephew, R. L. David, of Winchester, was killed in action. Mr. David is well known here where he frequently visits, and his many friends will be grieved to hear of his death.
